Marble Look

⁽¹⁾ The glossy polished finish is suitable for residential or low-traffic commercial floors, where no anti-slip performance is required, and for walls. The polished glossy surface finish, surprisingly brilliant and bright, features slight irregularities typical of natural marble. The extraordinary brilliance and the easy cleaning of the surface are the result of in-depth research aimed at guaranteeing its durability over time. If the product is in direct contact with the outdoors, provide devices for absorbing moisture and dirt to prevent scratches. - La finitura lappata lucida è indicata per pavimenti residenziali o commerciali poco sollecitati, laddove non siano richieste prestazioni antiscivolo, e per rivestimenti. La finitura lappata lucida offre una superficie sorprendentemente brillante e specchiante, con lievi irregolarità tipiche dei marmi naturali. La straordinaria lucentezza e l'elevata pulibilità della superficie sono frutto di studi approfonditi e accurate ricerche tecniche volte a garantirne la persistenza nel tempo. Se il prodotto è a diretto contatto con l'esterno, prevedere dei dispositivi di assorbimento dell'umidità e della sporcizia per prevenire la formazione di graffi.
