# DECOR 10 + DECOR 30

DECOR 10 e 30 sono progettati seguendo una logica modulare. DECOR 10 in particolare, esprime un nuovo concetto di rappresentazione del mosaico in chiave grafica; l'unione dei due mondi contraddistingue superfici che giocano con i formati attraverso due elementi chiave: le rispettive modularità e la miscela delle tre nuance Pearl, Steel, Shadow.

DECOR 10 and 30 are designed with a modular approach. DECOR 10, in particular, introduces a new concept in the representation of mosaic using a graphic design idiom, and these two worlds combine on surfaces that play with sizes with the aid of two key factors: their respective modular construction and the mixing of the three shades, Pearl, Steel and Shadow.

La conception de DECOR 10 et 30 s'inscrit dans une logique modulaire. DECOR 10, en particulier, exprime un nouveau concept de représentation graphique de la mosaïque. L'union de ces deux mondes singularise des surfaces qui jouent avec les formats à travers deux éléments clés : la modularité et le mélange des trois nuances, Pearl, Steel et Shadow.

DECOR 10 und 30 wurden nach einem modularen Prinzip entworfen. DECOR 10 stellt insbesondere ein neues Konzept der grafischen Darstellung des Mosaiks dar. Die Verbindung der beiden Welten prägt die mit den Formaten anhand von zwei Schlüsselementen spielenden Oberflächen: der jeweiligen Modularität sowie der Mischung der drei Farbtöne Pearl, Steel, Shadow.
