Al fine di mantenere il caratteristico effetto di seminato voluto dal produttore, posare il materiale attingendo contemporaneamente da più scatole.
In order to maintain the shaded variation effect requested from the manufacturer, we suggest mixed laying drawing tiles from several different boxes at a time.
Pour pouvoir garder l'effet désiré par le producteur, il faut mélanger les carreaux des plusieurs boites.
Um das Hersteller gewollte farbspiel zu erzielen, empfohlen wird, die Fliesen abwechselnd aus verschiedenen Packungen zu verlegen.
